DJ Mahay - Hospitality & Technical Rider

Technical Requirements

DJ Equipment:

Turntables/CDJs: 2 x Pioneer CDJ-3000 or Technics 1200MK7 or equivalent
Mixer: Pioneer DJM-S11 or equivalent
Needles/Cartridges: Shure M44-7 or Ortofon Concorde

If the venue does not have DJ equipment DJ Mahay can provide a Rane One Controller. The venue will still need to provide the following;

Monitors: 2 x High-quality floor monitors (minimum 12-inch)
Power: 2 x Power strips within reach of the DJ booth
Backup Equipment: Spare cables and connectors

Sound System:

High-quality PA system suitable for the venue size with subwoofers
Professional sound engineer on-site during setup and performance

Lighting:

Adequate lighting for the DJ booth

Setup Time

Access to the venue for setup at least 1 hour before the event
Soundcheck time: Minimum 30 minutes

Hospitality Requirements

Beverages:

1 bottle of still water
1 bottle of Blanco Tequila
1 bottle of Sprite
OR
Mahay is to be provided with a bar tab of at least $120 for herself and her team

Parking Requirements:

Parking Space: The venue must provide one reserved parking space close to the load-in area.
Parking Fees: The client is responsible for covering any parking fees or valet charges incurred by Mahay and her team.

Guest List:

Mahay is entitled to a guest list of up to 5 people. Names will be provided to the venue no later than 24 hours before the event.

Additional Requests:

The client agrees to ensure that no other DJ or performer will overlap with Mahay's set time without prior written agreement.
The DJ booth must be free from any unauthorized persons during Mahay's performance.
